

Benefits

Physical Fitness: Improve your overall fitness by developing core strength, balance, postural control and coordination to fulfil daily life.

Therapeutic Value: Increase mobility and improved neuromotor function while having fun and interacting with horses.

Emotional Wellbeing: Companionship with horses regulating emotions and increases self-esteem and confidence through achievements and enjoyment.

Social Acceptance: Enhance your identity and confidence through reciprocal communication with peers, staff and volunteers.

Respect: Develop respectful relationships and make choices to achieve your goals.

Equestrian Skills: Increase sporting participation and achievements through equine activities both mounted and unmounted.
